

COVID-19 UPDATE

March 24, 2020

Dear Hollandia Family,

We remain dedicated to keeping you informed during these difficult times on the 2020 Outdoor soccer season and any developments that occur regarding COVID-19. Please remember that the situation is still rapidly changing, and this information is subject to change at any time.

The outdoor season is still scheduled to proceed. Saskatoon Youth Soccer has released updated timetables regarding the outdoor season. Youth leagues (U11-U19) are now scheduled to begin on Friday May 1, instead of Monday April 20. At this time, there is no change to the Mini leagues (U7-U9) start date of Monday May 4. Discussions are ongoing regarding the end date of the season.

We have closed registration until further information is available in the coming weeks. If you know someone who may be interested in playing this season, should it go forward, please have them email registrar@hollandiasoccer.ca.

We thank everyone for their patience and support as we continue to develop contingency plans. As the weeks progress, we will get a clearer picture of how the Outdoor 2020 season may unfold, and will keep you up to date with that information as it becomes available. We are expecting further guidance from Canada Soccer in mid-April.
